## Word of Welcome

On behalf of ESGENA, the Spanish Society of Endoscopy Nurses and Associates (AEEED) and the Spanish Society of Digestive Disease Nurses (AEEPD) it is our great pleasure to invite you to the new and exciting format for nurses at UEG Week on 19-23 October 2019 in Barcelona Spain.

The new format connects the ESGENA nurses programme with the whole UEG Week programme and provides you with a dedicated programme relevant for nurses in Endoscopy, Gastroenterology and Hepatology.

The ESGENA nurses programme includes state-of-the-art-lectures, free papers & posters, lunch sessions, workshops, and hands-on training.

In addition, nurses and other healthcare professionals have full access to the whole UEG Week from Saturday to Wednesday, October 19-23, 2019. With the fast pace of developments in Gastrointestinal care we cater for many different interests including e.g. Endoscopy, IBD, Liver, Nutrition, Paediatric, Nurses, etc.

The combination of the ESGENA Nurse Programme and the UEG Week programme provides for you an exceptional educational event.

Be part of it & join us in Barcelona.

**Marjon de Pater**, President of ESGENA

**Maria Vicenta Aramendia**, President of AEEED

---

## Registration:

**Nurses have full access to the whole UEG Week and benefit from reduced fees!**

For only € 250 you can attend the whole UEG Week programme in Barcelona from October 19-23, 2019 including access to:

- ESGENA Nurse Programme
- Full Scientific Programme
- Hands-on training
- Young GI Network
- Postgraduate Teaching Programme and much more

Register for UEG Week to network face-to-face with your peers and the scientific world. Your colleagues could be interested too?

**For further information see also**

## Nurses Programme @ UEG Week

UEG recognizes the vital role of nurses in all fields of digestive health! Therefore, ESGENA and UEG have introduced a dedicated programme relevant for nurses in gastroenterology and hepatology.

### Saturday – Sunday, October 19-20, 2019

The ESGENA nurses programme provides workshops, state-of-the-art-lectures, free papers & posters, lunch sessions, workshops, and hands-on training.

### Monday – Wednesday, October 21-23, 2019

Nurses have full access to the whole UEG Week and benefit from reduced fees!

<b>16:00-17:30 Room B2</b>	<b>Special Bronchoscopy Session II</b>	
	This workshop is organised by <b>ESGENA</b> and <b>OLYMPUS EUROPA SE &amp; CO. KG</b>	
<b>Chairs</b>	Björn Fehrke, Switzerland Michael Ortmann, Switzerland	
16:20-17:30	<p>The workshop will offer the opportunity to improve procedure skills in bronchoscopy with the help of dedicated hands-on training on bio simulators under the supervision of highly experienced tutors. Participants will be able to perform the following techniques in diagnostic and therapeutic procedures in bronchoscopy:</p> <ul style="list-style-type: none"> <li>• Standard Sampling including BAL, cytology brushing and biopsy taking, classical TBNA</li> <li>• Foreign Body Removal</li> <li>• EBUS-TBNA</li> <li>• Peripheral Diagnostic</li> </ul> <p>Number of participants: limited to 40 persons</p>	

# ESGENA Nurse Programme

## Sat, 19 Oct 2019

<b>11:15-12:45 B2</b>	<b>Workshop 1: Tissue Acquisition of Small Polyps - Do it right!</b>
<p>Chair</p> <p>Aims &amp; Content</p>	<p>This workshop is organised by <b>OLYMPUS EUROPA SE &amp; CO. KG</b></p> <p>Christoph Schlag, Germany</p> <p>The workshop will cover the treatment and resection of small polyps with new techniques, such as cold snare polypectomy or large biopsy forceps and an optimal sample collection. The 1st part consists of a presentation covering new aspects from guidelines &amp; publications. The 2nd part consists of a hands-on session to test &amp; use new devices.</p>
<b>11:15-12:45 B3</b>	<b>Workshop 2: Troubleshooting – Common problems during reprocessing of flexible endoscopes</b>
<p>Chairs</p> <p>Aims &amp; Content</p>	<p>This workshop is organised by <b>Chemische Fabrik Dr. Weigert GmbH &amp; Co. KG</b> and <b>ESGENA</b></p> <p>Ulrike Beilenhoff, Germany Guido Merk, Germany</p> <p>Reprocessing of flexible endoscopes can entail various risks both in terms of hygiene and material compatibility. Infections caused by multi-drug resistant organisms have become increasingly problematic for healthcare systems worldwide. Outbreaks with multi-drug resistant organisms have also been reported from endoscopy. The majority of documented cases were caused by inadequate reprocessing of endoscopes and endoscopic accessories. Moreover, incorrect reprocessing may also lead to damage to endoscopes and reprocessing machines.</p> <ul style="list-style-type: none"> <li>• <b>Different steps of the reprocessing cycle and compliance with current guidelines</b> Guido Merk, Germany</li> <li>• <b>Process chemicals for cleaning and disinfection &amp; common surface alterations related to inadequate reprocessing of flexible endoscopes</b> Daniela Schrickler, Germany</li> <li>• <b>What happen when ... outbreak management Discussion of worst-case scenarios</b> Ulrike Beilenhoff, Germany</li> </ul> <p>If you have any questions, please ask – we may have the answers.</p>
<b>11:15-12:45 E1</b>	<b>Workshop 3: Consistent safety in endoscope reprocessing: user experiences and regulatory framework</b>
<p>Chairs</p> <p>Aims &amp; Content</p>	<p>This workshop is organised by <b>Soluscope</b></p> <p>Cécile Paya, France Marlène Horgnies, France</p> <p>Flexible endoscopes are complex equipment. They require a specific treatment responding to strict hygiene standards and compliance with current regulations. This workshop will present how 3 European university hospitals have taken up the challenge to ensure patient, user and endoscope safety focusing on key aspects:</p> <ul style="list-style-type: none"> <li>▪ <b>Endoscope reprocessing department : organization &amp; workflow</b> Didier Lepelletier, France</li> <li>▪ <b>How electronic traceability enhances safety and efficiency</b> François Martel, France</li> <li>▪ <b>Microbiological surveillance in endoscope reprocessing</b> Benedetta Colombo, Italy</li> <li>▪ <b>New ISO 15883-4, for improved patient protection</b> Marlène Horgnies, France</li> </ul>

# ESGENA Nurse Programme

## Sat, 19 Oct 2019

**11:15-12:45  
E2**

### Workshop 4: Nurse Specialists in GE

This workshop is organised by **ESGENA**

Chairs

Chantal 't Hoen, The Netherlands  
Irene Dunkley United Kingdom

11:15-11:35

**Role of nurse practioners in the Netherlands**  
Wilda Rosmolen, The Netherlands

11:35-11:55

**Role of IBD consultants and nurse practioners in the United Kingdom**  
Irene Dunkley, United Kingdom

L-7

11:55-12:15

**Advanced roles for nurses in Germany – a step by step approach**  
Ute Pfeifer, Germany

12:15-12:45

Round table discussion

**14:00-15:30  
B3**

### Workshop 5: Reprocessing of endoscopes: instructions for use in daily practice

This workshop is organised by **OLYMPUS EUROPA SE & CO. KG**

Chairs

Annette Rittich, Germany  
Michel Theron, France

Aims & Content

In the frame of ERCP endoscopy related infections, Olympus initiated and performed a nationwide study on:

- Performance of endoscope reprocessing
- Endoscope inspections
- Survey on reprocessing equipment and staff training

This workshop is intended to:

- Visualise details of the reprocessing workflow
- Show risk and non-risk areas within the reprocessing workflow
- Allow workshop participants to interactively evaluate own experiences
- Inform about options for risk prevention
- get tips about appropriate handling of endoscopes

**14:00-15:30  
E1**

### Workshop 6: Tissue Resection

This workshop is organised by **Boston Scientific**

Chairs

Leon Moons, The Netherlands

Aims & Content

This session will include a lecture around the nurse's role in tissue resection procedures.

Hands-on session will focus on a new injection solution, cold snaring and post polypectomy clipping.

# ESGENA Nurse Programme

## Sat, 19 Oct 2019

<b>14:00-15:30 E2</b>	<b>Workshop 7: Nurse Specialists in GE</b>	
	This workshop is organised by <b>ESGENA</b>	
Chairs	Wilda Rosmolen, The Netherlands Deepa Gandhi, Ireland	
14:00-14:20	<b>Self-Dilation class organised by nurses practitioner</b> Chantal 't Hoen, The Netherlands	<b>L-8</b>
14:20-14:40	<b>Bowel screening &amp; its implications on healthcare in Ireland – the role of advanced nurse practitioners</b> Deepa Gandhi, Ireland	
14:40-15:00	<b>How to implement nursing science?</b> Helle Vendel Petersen, Denmark	<b>L-9</b>
15:00-15:30	Discussion	
<b>16:00-17:30 B3</b>	<b>Workshop 8: It's getting hot - what you should know about HF surgery</b>	
	This workshop is organised by <b>Erbe Elektromedizin GmbH</b>	
Chairs	Niklas Frömmel, Germany Wendy Waagenes, Denmark	
Aims & Content	<p>Electrosurgery offers the possibility of pressure-free and precise cutting and at the same time control of bleeding during endoscopic resection techniques. With argon plasma coagulation tissue can be devitalized. The water-jet surgery provides additional options for resection. The aim of the workshop is:</p> <ul style="list-style-type: none"> <li>- To update on principles of electrosurgery and relevant safety measures</li> <li>- To demonstrate different settings for different applications like Polypectomy, EMR, ESD, Papillectomy, etc:</li> </ul> <p>in order to achieve max safety and to prevent adverse events and complications</p>	
<b>16:00-17:30 E1</b>	<b>Workshop 9: Documentation &amp; Traceability: Sharing best practices for successful operation of endoscopy departments</b>	
	This workshop is organised by <b>Cantel</b>	
Chairs	Ulrike Beilenhoff, Germany Dries Vanbiervliet, Belgium	
Aims & Content	<p>Nowadays the traceability of endoscopes has become an essential and necessary topic. Integrated Workflow Solutions support the efficient operation of critical hospital departments. The aim is to guarantee the documentation and full traceability of everything around the endoscopic procedure.</p> <ul style="list-style-type: none"> <li>• <b>Guidelines about traceability and best practices</b> Ulrike Beilenhoff, Germany</li> <li>• <b>Guidelines in a real setting: The Humanitas case</b> Alessandro Repici, Italy</li> </ul>

Sat, 19 Oct 2019

16:00-17:30  
E2

## Workshop 10: Key factors in reducing the risk of infection

This workshop is organised by **Pentax Medical**

Chairs

Paul Caesar, The Netherlands  
Julia Kovaleva, Belgium

Aims & Content

Reprocessing of endoscope is gaining more and more importance after the recent infection outbreaks. This workshop aims to deep dive in reprocessing pitfalls and possible areas of improvement with a highlight on latest available technologies.

**We are only Humans: human factor in endoscope reprocessing**

Paul Caesar, The Netherlands

**The importance of drying in endoscope reprocessing.**

Julia Kovaleva, Belgium

**The burden of infection:**

Giovann Salvatore, Italy

**Plasmabiotics System:**

Mihaela Cirisan, France

<b>16:50-17:10</b>	<b>Nurse endoscopist – 20 years’ experience of nurse endoscopy in the UK – making a difference</b> Irene Dunkley, United Kingdom	<b>L-29</b>
<b>17:10-17: 25</b>	<b>Best Free Paper and Best Poster Awards</b> The winner of the best free papers – oral presentation and the best poster presentations - will be announced. Presenting authors are requested to attend this session.	
<b>17:25-17:30</b>	<b>Invitation to Amsterdam 2020</b> Anita Boersen, The Netherlands	

# Hands-on training on bio-simulators @UEG Week

Sat-Mon,  
19-21 Oct 2019

The 90-minute training sessions in the Hands-on Theatre offer unique access to hands-on training on bio simulators (pig models) under the supervision of highly experienced tutors: Participants will have the opportunity to perform endoscopic techniques on the following topics:

- OGD with Injection techniques, Ligation, Clipping, APC
- Colonoscopy with Polypectomy, EMR and APC
- ERCP with stone extraction and stenting

Combined training for physicians and nurses allows to simulate realistic scenarios. Nurses have access to 8 session on three days

Participants will have the opportunity to look, learn, ask questions and perform techniques themselves under medical and nurse tutoring. The aim of this activity is to increase the awareness of diagnostic and therapeutic techniques and to offer delegates the possibility of checking their skills. Basic and advanced training are offered.

As participation will be limited, registration will be treated on a first-come-first-served basis: Tickets will be available onsite only – at the entrance of the ESGE Learning Area.

	Saturday, Oct 20		Sunday, Oct 21			Monday, Oct 22

# General Information

## CME Certificate & Certificates of Attendance

UEG Week Barcelona 2019 including the ESGENA nurse programme has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) with 33 European CME credits (ECMEC@s). Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

Through an agreement between the Union Européenne des Médecins Spécialistes and the American Medical Association, physicians may convert EACCME® credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME® credit to AMA credit can be found at [www.ama-assn.org/go/internationalcme](http://www.ama-assn.org/go/internationalcme).

Live educational activities, occurring outside of Canada, recognised by the UEMS-EACCME® for ECMEC@s are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Programme of The Royal College of Physicians and Surgeons of Canada.

## Get your UEG Week Certificates

In order to obtain CME credits, UEG requires feedback on its educational activities. Therefore, we kindly ask all delegates to complete the online evaluation form after conclusion of the congress. The evaluation form is available via the congress app and on [ueg.eu/myueg](http://ueg.eu/myueg). The CME Certificate of EACCME will be available for download after completion of the online evaluation.

After the congress you can also download your certificates of attendance of the PGT Programme as well as the Congress in your myUEG account in the congress app or on [ueg.eu/myueg](http://ueg.eu/myueg).

## Cloakroom

The cloakroom is located in the Entrance Foyer next to the registration counters and can be used free of charge from Saturday, October 19 to Wednesday, October 23. Participants can also store their luggage there.

## Congress language

The official language of UEG Week is English.

## Coffee & Lunch

Lunch and coffee are not included in the registration fee. UEG offers a certain amount of catering during the breaks on a first come first served basis. Throughout the venue there will be water dispensers and catering kiosks to buy refreshments and snacks.

## PGT Programme and ESGENA Programme (Sat – Sun)

Saturday- Sunday, October 19-20 (Hall 8.0 & Foyer 6/7)

- Coffee Break 10:30 – 11:00
- Lunch 13:00 – 14:00

## UEG Week Catering (Mon - Wed)

Monday-Tuesday, October 21-22 (Hall 8.1 & Hall 7)

- Coffee Break 10:00 – 10:30 & 15:30 – 16:00
- Lunch 12:00 – 14:00

Wednesday, October 23 (Hall 8.1 & Hall 7)

- Coffee Break 10:00 – 10:30
- Lunch 12:00 – 14:00

## Congress News and Website

The UEG Week website, UEG Week App and our social media channels will provide an overview of sessions and data presented each day and “what not to miss” the following day along with hot topics and snapshots of the congress. For more information, visit the UEG Week website ([www.ueg.eu/week](http://www.ueg.eu/week)).

## Conference Language

The official language of the ESGENA Conference is English. No simultaneous translation will be provided.

## Emergency and First Aid

In case of emergency please contact our staff. The First Aid Room is located in Hall 8.0. The attentive staff there will be pleased to help.

## ESGENA Annual General Meeting

ESGENA Annual General Meeting is held on Sunday, October 20, 2019 from 17:30-19:00 h in Room B2. Access for ESGENA members only.

## ESGENA Feedback form

Your feedback is important to us ! Please use the ESGENA electronic evaluation form to give us your feedback and to suggest topics for the next ESGENA conference. Link: [https://www.surveymonkey.de/r/2019\\_Barcelona](https://www.surveymonkey.de/r/2019_Barcelona)  
Thank you very much for your support

## ESGENA Free Paper & Poster Award

The winners of the best free papers and poster presentations will be announced

- during the ESGENA Session 7 “Education”
- on Sunday from 16:00-17:30 h
- in room B2.

**Presenting authors are requested to attend this session.**

## ESGENA Membership Desks

The ESGENA membership desk is located opposite the ESGE Learning Area, in front of room A3 in hall 8.0

- On Saturday, October 19, 2019
- On Sunday, October 20, 2019

## ESGENA Hands-on-Training

Hands-on-training on bio simulators is offered from Saturday to Monday in the ESGE Learning Area in Hall 8.0. Please note that there are only a limited number of tickets available in order to ensure small training groups at each station. Tickets for nurses are available at the entrance of the ESGE Learning Area- on a first-come-first-served basis.

## ESGENA Lunch Sessions

Two parallel lunch sessions on Sunday, October 20, 2019 combine state-of-the-art-lectures and hands-on-training. Lectures are given in room B2 and B3 while hands-on training is offered in the hands-on area opposite the ESGE Learning Area, in front of room A3 in hall 8.0.

# General Information

## ESGENA nurses at UEG Week

ESGENA nurses are registered as Allied Healthcare Professionals who have full access to the UEG Week from Saturday to Wednesday, October 19-23, 2019 with their ESGENA name badges. This includes:

- Admission to ESGENA nurse programme
- Admission to hands-on areas
- Admission to all scientific sessions, Postgraduate Teaching courses and poster exhibition (Saturday-Wednesday)
- Admission to industry exhibition
- Admission to industry sponsored symposia (Sunday – Wednesday)
- Unlimited use of public transportation system (3 day pass)
- Free access to all recorded sessions and abstracts on UEG Week 24/7
- Congress materials

## ESGENA Poster Sessions

ESGENA posters are displayed opposite the ESGE Learning Area, in front of room A3. Posters should be mounted on the assigned board from Saturday to Sunday, October 19-20, 2019.

Poster authors receive material to fix the posters at the ESGENA membership desk.

ESGENA has two poster sessions on Sunday, October 20, 2019:

- From 10:30-11:00 h
- From 13:00-14:00 h

## Industry Exhibition

UEG Week is accompanied by a major industry exhibition taking place in Hall 8.1 on Level 1. This provides an excellent opportunity for physicians, pharmacists, pharmacy assistants, nurse practitioners, physician assistants and other healthcare professionals to interact with the industry and familiarise themselves with the latest advances in technology and pharmacology.

Please note that according to the EU Directive 2001/83/EC promotional material related to prescription-only medicines must be distributed or provided exclusively to healthcare professionals who are authorised to prescribe or dispense them.

## Opening Hours

- |                         |               |
|-------------------------|---------------|
| - Monday, October 21    | 09:00 – 17:30 |
| - Tuesday, October 22   | 09:00 – 17:30 |
| - Wednesday, October 23 | 09:00 – 14:00 |

## Insurance / Liability

UEG or ESGENA do not accept any liability for damages and/or losses of any kind which may be incurred by the congress participants, during either the official activities or official UEG networking events. Delegates attend the congress at their own risk. Participants are advised to take out insurance against loss, accidents or damage that could be incurred during the congress.

## Internet Centre and WiFi

WiFi is available throughout the venue. UEGWifi by Pfizer

- Password: **uegweek19**

## Live streaming of Sessions

Be part of UEG Week and view 50% of all sessions wherever you are! UEG will connect everyone to its annual meeting via livestream on the UEG Week Live website. Lean back and get updated on relevant GI and liver topics free of charge and connect with the community via the UEG Week Social Wall. Simply sign in to myUEG. For more information, please visit [live.ueg.eu](http://live.ueg.eu).

## Name Badges

Participants are requested to always wear their name badge during the congress. Kindly note that when your badge is being scanned at exhibition booths or during industry sponsored symposia, as previously agreed by you, personal data, comprising of full name, address (institute/company, department, address) and email address is being passed on to the respective UEG sponsors/exhibitors for the purpose of providing marketing and information material relating to the field of digestive health as well as information on scientific events.

## Networking Areas

The perfect meeting point to network with colleagues are our designated networking areas in the exhibition area in Hall 8.1, in Halls 7, 8.0, the Foyer between Halls 6 & 7 and at the UEG Booth in the Entrance Foyer where we provide charging stations for your mobile devices. The Live Endoscopy will also be transmitted to the networking areas on Tuesday.

Congress delegates below 40 are also invited to meet other young fellows in the Young GI Lounge in Hall 8.0, where they can form new collaborations, surf the net, charge their devices and join our social media activities!

## Photos, Filming and Recording of Scientific Sessions

It is strictly forbidden to film, take photos or record any oral or poster presentation of UEG Week without the consent of the organiser (including smart phones, mobile devices, etc). Please note that numerous sessions will be recorded and published at [www.ueg.eu/education/library](http://www.ueg.eu/education/library) immediately after the congress and will be available for all congress delegates. This archive will also include all abstracts, E-Posters and the Syllabus of the Postgraduate Teaching Programme.

## Programme Changes

The organizers cannot assume liability for any changes to the programme, due to external or unforeseen circumstances.

## Registration

Congress Registration Counter

All congress material\* and documentation is available at the congress counters located in the Entrance Foyer.

## Opening Hours

- |                         |               |
|-------------------------|---------------|
| - Friday, October 18    | 14:00 – 18:00 |
| - Saturday, October 19  | 07:30 – 18:00 |
| - Sunday, October 20    | 07:30 – 18:00 |
| - Monday, October 21    | 07:00 – 18:00 |
| - Tuesday, October 22   | 07:00 – 18:00 |
| - Wednesday, October 23 | 07:00 – 16:00 |

During these opening hours the congress registration desk can be reached at: T +43 676 845 880 701.

On-site Registration does not necessarily entitle the participants to receive all congress material. Registration will be handled upon a first-come, first-served basis, priority will be given to pre-registered delegates.

# General Information

## Public Transport Pass

We ask all our visitors to think of the environment and use public transport wherever possible. All registered are entitled to use the Barcelona public transportation system valid for three days. With your congress badge you will receive a voucher for your public transportation ticket to be picked up at the congress material counter in the registration area.

Barcelona's public transportation system includes metro and bus (TMB), local train (FGC), tram (TRAM) and regional trains (Rodalies de Catalunya).

## How to get from the airport to the venue

However, using the AEROBUS from/to the airport requires the purchase of a separate ticket. At Terminal 1 or 2, take the metro line L9 Sud and stop at station 'Fira'. From the metro station 'Fira' it is around 6-8 minutes walking to Fira Gran Via – North Entrance Hall 8 for UEG Week.

## Going by public transportation to the congress venue

Metro stop Fira 'Fira' (6-8 min walking): Taking a metro line from the city centre you will need to change to metro line L9 Sud into the direction 'Aeroport' and get off at the metro stop 'Fira'.

From the metro stop walk all the time straight ahead on Carrer de la Botànica until the roundabout where you reach Fira Barcelona. Continue to walk straight ahead on Carrer del Foc until you arrive at the Fira Barcelona 'North Access', which is the entrance to UEG Week 2019.

## Taxi

A taxi stand is located in front of the North Entrance – Hall 8. Taxis can be called day and night at the telephone numbers:

- TAXI CLASS Phone: +34 933 07 07 07
- TAXI MÉS Phone: +34 933 30 03 00
- RADIO TAXI Phone: +34 933 03 30 33

## Silent Room

There is a room set apart for prayer. It is a quiet place, where delegates may withdraw to seek divine strength and guidance. The silent room is located in Room 7.6 in area CC7 in Foyer between Hall 6 and 7.

## Smoking

The Fira Barcelona is a non-smoking venue. Smoking is prohibited within the congress venue.

## Speakers Centre

The Speakers Centre is in the Entrance Foyer. It is equipped with PCs where speakers can work on their slides. Speakers are asked to hand in their CD-ROM or USB stick, containing the Power-Point Presentation (IBM format or compatible, no multisession) or video preferably one day before, but at the latest 3 hours prior to the presentation. The slides will be transferred to the central congress server and will be available afterwards on a special congress notebook in the session room. The use of personal notebooks is not allowed. Technical staff will be happy to assist.

## Opening Hours

- |                         |               |
|-------------------------|---------------|
| - Friday, October 18    | 14:00 – 18:00 |
| - Saturday, October 19  | 07:30 – 18:00 |
| - Sunday, October 20    | 07:30 – 18:00 |
| - Monday, October 21    | 07:00 – 18:00 |
| - Tuesday, October 22   | 07:00 – 18:00 |
| - Wednesday, October 23 | 07:00 – 14:00 |

## Technical Exhibition

UEG Week is accompanied by a major technical exhibition taking place in Hall 8.1. This provides an excellent opportunity for physicians, pharmacists, pharmacy assistants, nurse practitioners, physician assistants to interact with the industry and familiarise themselves with the latest advances in technology and pharmacology. For further information and floor plans please see the list of exhibitors on next pages and following, in the UEG Week 2019 App as well as on the UEG website [ueg.eu/week](http://ueg.eu/week). Please note that according to the EU Directive 2001/83/ EC promotional material related to prescription-only medicines must be distributed or provided exclusively to healthcare professionals who are authorised to prescribe or dispense them.

## Opening Hours

- |             |            |               |
|-------------|------------|---------------|
| - Monday    | October 21 | 09:00 – 17:30 |
| - Tuesday   | October 22 | 09:00 – 17:30 |
| - Wednesday | October 23 | 09:00 – 14:00 |

## UEG Week Abstracts

The abstracts of UEG Week Barcelona 2019 will be available online in the Library on the UEG Education website.

## UEG Week 2019 App

Get the UEG Week 2019 App for your smartphone and experience the congress at your fingertips! Send questions during sessions via the Q&A tool or quickly find your way through the most up-to-date congress schedule. Cast your vote in interactive sessions via the app. Have a look at floor plans and browse the exhibition and company profiles. The app is free of charge for iPhone/iPad and Android smartphone users. The UEG Week 2019 App is available at **Apple App Store** and **Google Play**

Please note, **the ESGENA programme is available on the App.**

## UEG Week Live streaming of Sessions

Be part of UEG Week and view 50% of all sessions wherever you are! UEG will connect everyone to its annual meeting via live stream on the UEG Week Live website. Lean back and get updated on relevant GI and liver topics free of charge, and connect with the community via the UEG Week Social Wall. Simply sign in to myUEG. For more information, please visit [live.ueg.eu](http://live.ueg.eu).

## UEG Week Post Graduate Course

Nurses are welcome to attend the UEG Week post graduate course on Saturday to Sunday at no extra charge.

## UEG Week Programme Book

The UEG Week programme book will be handed out at the congress material counter.

## Wi-Fi and Internet Centre

The Internet Centre with several terminals is located on the walkway to Halls 6 and 7. Wi-Fi is available throughout the venue:  
#UEGWifi by Gilead\_5Ghz  
#UEGWifi by Gilead\_2.4 Ghz

Password: **uegweek19**

## Useful Information about Barcelona

---

### Bank

Most banks in Barcelona are open from Monday to Friday from 8.00 -14.00 h

### Currency

Payments will only be accepted in Euro.

### Climate

In October the average temperatures range from 13 to 22° C during the day in Barcelona.

### Electricity

The voltage in Spain is 230 Volts, 50 Hertz. Sockets meet European regulations and use the two-round pin system.

### Emergency numbers

In case the worst should happen, here are the most important telephone numbers in Barcelona

- European emergency. tel. 112
- Fire service. 080
- Police. 088 and 092
- Ambulance / rescue. tel. 061

### Shopping hours

Shops are usually open Monday to Saturday from 10.00-14.00 and 16.30-20.00 h

### Safety

As in all major cities and congress venues, people should always keep an eye on their personal belongings. Please be aware of pickpocketing and bag-snatching and make sure to take off your name badge and congress bag when you go sightseeing in downtown Barcelona.

Wearing the name and bag identifies you as a tourist which might attract pickpockets.

### Sightseeing in Barcelona

A special information desk for sightseeing is located in the registration area. Barcelona has a number of tourist offices, located at strategic points around the city.

Find out more about Barcelona on the Barcelona tourism portal.

<http://www.barcelonaturisme.com/wv3/en/>

### Telephone

Country code. +34.  
Outgoing international code. 00.

### Time Zone

The time zone in Spain is Central European Time (CET), which is Coordinated Universal Time (UTC) +1 hour in winter and +2 hours in summer.
